Subject RE: Still Need Shape File in GIS on OU2 - Richardson Flat

Hi Maureen,

Attached is the shapefile of the Lower Silver Creek project boundary.

The projection information is: UTM NAD 1983, Zone 12. If your GIS person has any questions, please feel free to contact me.

I will give you a call later this morning to discuss what else you need for the archival.

Thanks,
Jon

Kathy - Here is another message I got from my GIS person about what we need to do the PRP Search on Richardson Flat OU2:

And, once again, I cannot use pdf's in GIS. I need a shapefile (the 4 files with the boundary) describing the land parcels. Same goes for the easements and anything else on the 2d map that might be of interest to you.

"The single biggest problem in communication is
the illusion that it has taken place."
